4-YEAR BINTELLI-EV MANUFACTURER LIMITED WARRANTY

1. This limited warranty covers conversions to new vehicles, equipment furnished by Binteelli ("the company") in or upon a passenger vehicle. Vehicle has a 4 year limited parts warranty.

2. The company warrants to original purchaser that any defects in materials or workmanship, except as listed in para. 4 below, that occur within the time periods listed below ("the warranty period"), starting from the date of delivery, will be corrected by the company at its expense, in a manner described:

a. Manufacture Warranties –These warranties are covered by the manufacture of the component, not by Binteelli directly. Lester chargers covered for four years. Eagle brand chargers are covered for a period of three years.

Curtis Instruments brand controllers are covered for a period of two years. US Batteries are covered for a period of 12 months. Full warranty disclosures for these three manufacturers are available upon request.

b. Binteelli Warranty – In addition to the manufacture warranties noted above. Binteelli will warranty the frame and all structure welds of the vehicle for a period of two years. All remaining parts not already mentioned in (a) or (b) or excluded in #4 below will be covered for a period of one year. Labor for repair is never included. The warranty included is a parts only warranty. Defective parts must be returned to Binteelli before replacement. Longer warranties or warranties that include labor costs can be purchased for an additional price at the time of purchase or delivery.
